WELCOME MESSAGE FROM THE CONFERENCE PRESIDENT

Dear Esteemed Colleagues and Friends,

It is with great pride and pleasure that we welcome you to the 10th Edition of the Emirates International Neurosurgical Conference 2026 (EINSC), taking place from 16-18 October 2026 at the Raffles Hotel Dubai.

Marking a significant milestone, this 10th edition reflects a decade of scientific progress, collaboration, and shared commitment to advancing the field of neurosurgery. The conference brings together neurosurgeons, healthcare professionals, and experts from across the region and internationally for three days of insightful scientific exchange and professional engagement.

The programme has been thoughtfully curated to showcase the latest developments, innovative techniques, and emerging trends in neurosurgery, while providing a platform for meaningful discussion and knowledge sharing among peers.

In addition to the scientific sessions, the conference offers valuable networking opportunities designed to strengthen professional relationships and foster future collaboration within our growing neurosurgical community.

Your participation is integral to the success of this landmark edition. Together, we celebrate past achievements and look ahead to shaping the future of neurosurgery.

On behalf of the EINSC2026 organizing committee, we look forward to welcoming you this October for an engaging and memorable 10th EINSC Conference.

Warm Regards,

DR. KHALED FARES ALALI
PRESIDENT,
EMIRATES SOCIETY OF NEUROLOGICAL SURGEONS
HEAD OF NEUROSURGERY,
ZAYED MILITARY HOSPITAL

WELCOME MESSAGE FROM THE SCIENTIFIC CHAIR

Dear Colleagues and Friends,

It is my great pleasure to welcome you to the 10th Edition of the Emirates International Neurosurgical Conference 2026 (EINSC), taking place from 16-18 October 2026.

This landmark edition features an exceptional scientific programme, carefully developed to reflect the latest advances and evolving practices in neurosurgery. The conference will deliver high-quality scientific sessions led by distinguished faculty, offering in-depth discussions, evidence-based insights, and practical perspectives across key subspecialties.

The scientific committee is especially proud to highlight this years' hands-on workshop, designed to showcase the latest surgical techniques in the field. Building on its proven track record of strong attendance and consistently high educational value, the workshop returns following the outstanding success of the previous editions.

The programme goes beyond knowledge sharing through lectures, case discussions, and practical sessions. On behalf of the scientific committee, I warmly invite the community to submit abstracts, offering the chance to present original research, clinical experience, and innovative ideas—a core pillar of the conference as a platform for scientific exchange.

I look forward to welcoming you this October for the 10th EINSC Conference!

Sincerely,

DR. ANEELA DARBAR
SCIENTIFIC CHAIR,
EMIRATES SOCIETY OF NEUROLOGICAL SURGEONS (ESNS)
CONSULTANT NEUROSURGEON,
KING'S COLLEGE HOSPITAL LONDON

About EINSC 2026

The 10th Emirates International Neurosurgical Conference (EINSC) is the flagship event of the Emirates Society of Neurological Surgeons (ESNS), established in 2013 as a subspecialty of the Emirates Medical Association (EMA). EINSC has grown to become the largest neurosurgical conference in the GCC, serving as a premier platform for scientific exchange and professional development.

Each year, we bring together leading neurosurgeons, medical professionals, researchers, and healthcare companies from across the region and globally to discuss the latest advancements, techniques, and innovations in the field.

Why Partner with EINSC?
